INTERESTING LOCAL LINES.

Still at Work.

Notwithstanding the fact three sneak-
thieves were sent up from here for long
terms recently, another robbery was
committed in the past ten days. The
general store of Mr. D. A. Powers, at
Magruder, was broken open at night
and many articles stolen. Here is an-
other candidate for a position in Rich-
mond.

Mr. W. B. Oliver, a well known lum-
berman, has returned from Philadel-
phia. He has accepted a position with
a Baltimore paper house, and will
move his family to that city.

A Frightened Horse.

Running like mad down the street
dumping the occupants, or a hundred
other accidents, are every day occur-
rences. It behooves everybody to have
a reliable Salve handy and there's none
as good as Bucklen's Arnica Salve.
Burns, Cuts, Sores, Eczema and Piles,
disappear quickly under its soothing
effect. 25c at Henley's drug store.

To Marry Soon.

Mrs. W. H. Braithwaite, of this city,
announces the engagement of her daugh-
ter, Miss Louise Corcoran to Mr. Ed-
ward C. Long, of San Antonio, Texas.
The wedding will take place during the
Christmas holidays.

Homeseekers Here.

The L. W. Roberts Real Estate Com-
pany had a large crowd of homeseekers
here this and last weeks. This company
has located many good families in this
section, and they have in view many
more desirable settlers. The crowd this
week came in charge of the traveling
agent Mr. A. H. Sharpe. All were pleased
with the country.

A Costly Mistake.

Blunders are sometimes very expen-
sive. Occasionally life itself is the price
of a mistake, but you'll never be wrong
if you take Dr. King's New Life Pills
for Dyspepsia, Dizziness, Headache,
Liber or Bowel troubles. They are
gentle yet thorough. 25c at Henley's
drug store.

The Burk Economy

is true cheapness in every
conception of the term. Its
basis is value, its foundation
quality. Its striking pre-
eminence is the result of un-
equalled manufacturing fa-
cilities and an immense
leverage of Six Big Stores
trading as one. Through
means of these advantages
we are in direct touch with
the entire business world,
and constantly on the watch
for opportunities whereby
price concessions can be ob-
tained and turned over to
your benefit.
